

Been Away Too Long

D Bm/E F#m G2

D G2 Bm
Oh my God, here I am again
Hiding in that same dark corner that you found me in
Why do I worry, why do I sin
When I know there's something better

D G2
How did I lose sight of Your face
I don't even know how I wound up in this place
Now I'm counting on Your grace
To lead me on to something better

D/G A Bm G2
Lead me to a place where I can belong
D/G A Bm G2
Lead me to a place where I rest in Your arms
G2
I've been away too long I've been away too long
D Bm/E F#m G2
Now I want to come home

D G2
I know the story of the prodigal son and
How he was welcomed home after all he had done
So I know you'll embrace me
When I get there,
