

Mighty God

F#m7 **E** **Emaj7**

Mighty God I would live in your house forever.

F#m7 **E** **Emaj7**

Every day I will search after you my Saviour

F# **A**

In a dry, weary land without water, I will cling on to you, my shelter,

B **A** **E/G#**

Knowing that you will wash me in your rain.

F#m7 **E** **Emaj7**

Every minute I wait, my soul is thirsting.

F#m7 **E** **Emaj7**

Every second my aching body's waiting.

F# **A**

Only you that can satisfy me, when I fall it's Your hand that holds me,

B **A** **Am/C**

Every day of my life you stand by me.

E **Emaj7**

And I will shout to the Heavens, shout to the earth

Amaj7/C# **F#m7** **B7s4** **B7**

Shout to the moon and the stars: You're so good, You're so good.

E **Emaj7**

And I will shout to the Heavens, shout to the sky,

Amaj7/C# **F#m7** **B7s4** **B7**

Shout to the sea and land: You're so good, You're so good.

F#m7 **E** **Emaj7**

Every minute I wait, my soul is thirsting

F#m7 **E** **Emaj7**

Every second my aching body's waiting.

F# **A**

I can look for the answers elsewhere, without you there is nothing out there

B **A** **Am/C**

Only you that can come and rescue me.
