

## Nothing Is Impossible

Dm7                      Em7                      Am                      Am/G

Standing on the bank of the Red Sea:

F                      G                      Am

How will You deliver me?

Dm7                      Em7                      Am                      Am/G

Marching 'round the walls of Jericho:

F                      G                      Em                      Am                      F      G      Am

How could we expect to ever conquer this stronghold?

Am                      G                      Em      Em7

*Nothing is impossible, nothing is impossible,*

Am                      F                      G      (Am)

*Nothing is impossible for my Lord Jesus. (2X)*

Dm7                      Em7                      Am                      Am/G

Stepping through the gates of Nineveh:

F                      G                      Am

Will my witness be enough?

Dm7                      Em7                      Am                      Am/G

Returning from the battle with Gideon:

F                      G                      Em                      Am                      F      G      Am

Now can we overcome these foreign gods here in Canaan?

*Bridge:*

G                      Am

Be strong and courageous

G                      Am

Do not be dismayed

G                      Am

For the Lord, our God, is with us,

F                      E

And nothing is too hard for Yahweh! (*refrain*)

Dm7                      Em7                      Am                      Am/G

Watching at the tomb of Lazarus:

F

Can even death be overcome?
