

Passion

Am7 **D**
If it means I must die,
Am7 **D** **Am7**
If it means that I give up everything
D **D/B**
To gain Paradise . . .
C **D**
What have I to compare?
C **D** **Em** **As4** **A**
What have I to compare with Your love?
Em **As4** **A**
Your love . . .
D **F2** **D**
I want You more than all my wildest dreams.
F2 **D**
I want You more than anything.
D/G
I want You.
Em **Em7**
You.
G* **D**
Elohim, all I need, all I want, all I love.
Am7 **D**
If it means I can live,
Am7 **D** **Am7**
Giving all that I am and all I have,
D **D/B**
To see Kingdom come . . .
C **D**
Take and don't let me go,
C **D** **Em** **As4** **A**
Burn in this heart 'til it shows how You love.
Em **As4** **A**
How You love . . .
