

# You Are God

Intro: ride Em7+2

Em7 D/F#  
In the dark and cold of night, in the shadows do I hide.  
G D/F# Em7 A7s  
Running from an unseen hand, falling down and down again.  
G D/F#  
But I know You'll rescue me, I know that You'll be here  
G A7s G A  
in times of trouble, times of need, I know I need not fear.

D  
'cause You are God.  
Bm A G A  
You are the Alpha and Ome--ga.  
D A/C# Bm Bm/F# G A  
You take my hand and lead me through the crashing sea and sandy plains,  
Em7 Em7+2 G A D Em7+2  
and You never let me go because You are my God.

Em7 D/F#  
You lift me up out of the depth, quiet me and let me rest;  
G D/F# Em7 A7s  
in Your strength I find my peace, Your Father's heart sings out to me.  
G D/F#  
I could never comprehend what You see in me,  
G A7s G A7s  
but in Your arms I will remain where broken hearts are healed again,  
Em7 D/F# G A  
no blemishes, no sin is found, the glory of the Lord is all around.
